

A Better World

Dear Volunteer,

Thank you for your commitment to serving at A Better World for the school semester. We are thrilled to have a part of our team.

A couple of important reminders for you:

*If you will not be able to be here on your scheduled day (due to a work conflict or sickness), please call or email Kisha to let her know:

704-398-3244 or abwpgmdirector@carolina.rr.com

- Please be sure to sign-in each time you come to A Better World as soon as you arrive. Then you can pick up your name badge, review the student's file and find your student. In addition, be sure to sign-out when you are ready to leave. This is important both so that we can track our volunteer trends, and to ensure safety in the event of a fire or emergency evacuation.
- If you haven't already, please contact your student's teacher(s). This will allow you to build rapport with them, learn their weekly and monthly schedules (e.g. spelling test are every Thursday) and ask them any clarifying questions regarding your student. In short, let the teachers know you are here to help them succeed too.
- Please review your volunteer file, and update any relevant information/fill out any unfilled forms.
- If you need to end your commitment with A Better World, please arrange a time to meet with Kisha to let her know. Kisha will coach you through how to share the news with your student.
- Finally, please know how grateful we are for you! We couldn't make A Better World possible for our students without your support and participation.
